

Ammonium carbonate, Merck blue label, ¼-pound glass stopper bottle.....number..	1	Gold chloride, Merck white label, in 15-grain ampoules.....number.....	1
Ammonium chloride, Merck blue label, in ¼-pound cork stopper bottle.....number.....	1	Guaic resin, in ¼-pound cork stopper bottle, do.....	1
Ammonium hydroxide, Baker analyzed, chemically pure, specific gravity 0.90, in 1 and 4 pound glass stopper bottle.....number.....	1	Hematoxylin, in 10-gm. screw-cap vials.....do.....	1
Ammonium molybdate, Merck blue label, in 1-ounce cork stopper bottle.....number.....	1	Inulin, Mulford, in 10-gm. cork stopper bottle, do.....	1
Ammonium Oxalate, Merck blue label, in ¼-pound cork stopper bottle.....number.....	1	Lactose, Difco, powdered, free from dextrose, in 1-pound cork stopper bottle.....number.....	2
Ammonium sulphate, Merck blue label, in 1-pound cork stopper bottle.....number.....	1	Litmus, powdered, Merck blue label, in ¼-pound cork stopper bottle.....number.....	2
Aniline oil, water-white, for microscopic use in 1-ounce amber cork stopper bottle.....number.....	3	Litmus paper, Squibb's, in glass vials of 100 strips each (red and blue), of each.....number.....	10
Antiformin, in 1-pound cork stopper bottle.....do.....	6	Maltose, in ¼-pound cork stopper bottle.....do.....	1
Arsenic trioxide, Merck blue label, in ¼-pound cork stopper bottle.....number.....	1	Mannite, Merck white label in 1-pound cartons.....number.....	1
Asbestos, long fiber, washed in acid, for use in Gooch crucibles, in 1-pound cartons.....number.....	1	Methylene blue, in 10-gm. screw-cap vials.....do.....	6
Bacto bile, Difco, in 1-pound cork stopper bottle.....number.....	6	Neutral red, in 10-gm. screw-cap vials.....do.....	1
Balsam, Canada, in Zylol, must be made from hard balsam, in 1-ounce cork stopper bottle.....number.....	2	Paraffin, hard, M. P. 52, in 1-pound cakes wrapped in paper.....pounds.....	10
Barium chloride, Merck blue label, in 1-pound cork stopper bottle.....number.....	1	Peptone, Armour, in ½-pound cork stopper bottle.....number.....	20
Barium hydroxide, Merck blue label, crystalline, in ¼-pound cork stopper bottle.....number.....	1	Phenolphthalein, Merck blue label, in 1-ounce cork stopper bottle.....number.....	1
Beef extract, Liebig's, in ¼-pound jars.....do.....	4	Phenolsulphonaphthalein, Hynson, Wescott & Dunning, dry, in 5-gm. vial.....number.....	1
Benzdine, for blood test, in 1-ounce cork stopper bottle.....number.....	1	Phenylsulphonaphthalein, for collimeter tests, ampoules of 1.5 mg., 12 in box.....box.....	1
Bismarck brown, in 10-gm. screw-cap vials.....do.....	4	Potassium dichromate, Merck blue label, in 1-pound cork stopper bottle.....number.....	2
Brilliant green, in 10-gm. screw-cap vials.....do.....	1	Potassium ferrocyanide, Merck blue label, in ¼-pound cork stopper bottle.....number.....	1
Bromine, U. S. P. in 1-ounce glass stopper bottle in tin container.....number.....	2	Potassium ferricyanide, Merck blue label ¼-pound cork stopper bottle.....number.....	1
Calcium chloride, granular, for drying, in 1-pound cork stopper container.....number.....	1	Potassium iodide, Merck blue label, in ¼-pound cork stopper bottle.....number.....	1
Calcium hypochloride, Baker analyzed, chemically pure (oxychloride), in 1-pound tins.....number.....	1	Potassium permanganate, Merck blue label, in ¼-pound cork stopper bottle.....number.....	1
Cedar oil, for immersion objectives, in 1-ounce cork stopper bottle.....number.....	4	Potassium sulphocyanate, Merck blue label, in ½-pound cork stopper bottle.....number.....	1
Cholesterol, Merck blue label, in ¼-ounce cork stopper bottle.....number.....	1	Pumice stone, lumps.....pound.....	½
Congo red, in 10-gm. screw-cap vials.....do.....	1	Saccharose, Merck white label, highest purity, in 1-pound cork stopper bottles.....number.....	1
Copper oxide (black), Baker analyzed, chemically pure, special (for haematoxylin solutions), in 1-ounce cork stopper bottle.....number.....	1	Safranin, in 10-gm. screw-cap vials.....do.....	2
Copper sulphate (cupric sulphate), Merck blue label, crystals, in 1-pound cork stopper bottle.....number.....	2	Schorlach R., in 10-gm. screw-cap vials.....do.....	1
Crystal violet, in 10-gm. screw-capped vials.....do.....	1	Sealing wax, in sticks.....pound.....	½
Dextrin, white, in ¼-pound cork stopper bottle.....number.....	1	Soap, castile.....pound.....	½
Dextrose, Difco, anhydrous, in ¼-pound cork stopper bottle.....number.....	4	Sodium carbonate, commercial crystals, 1-pound cork stopper bottle.....number.....	10
Dimethylaminoazobenzol, Merck white label, in 10-gm. cork stopper bottle.....number.....	1	Sodium chloride, Merck blue label, in 1-pound cork stopper bottle.....number.....	5
Diphenylamine, Merck blue label, in 1-ounce cork stopper bottle.....number.....	1	Sodium citrate, Merck highest purity, crystals, in 1-pound cork stopper bottle.....number.....	1
Emery flour, for grinding stopcocks, etc.....pound.....	½	Sodium dichromate, commercial, for cleaning mixture, in 1-pound cork stopper bottle.....number.....	6
Eosin, water soluble, in 10-gm. screw-cap vials.....number.....	4	Sodium hydroxide, Merck blue label, purified, sticks, in ¼-pound cork stopper bottle.....number.....	8
Fuchsin, basic, in 10-gm. screw-cap vials.....do.....	4	Sodium nitrate, Merck blue label, in ¼-pound cork stopper bottle.....number.....	1
Fuchsin, acid, must be soluble in sodium hydrate for andrade indicator, in 10-gm. screw-cap vials.....number.....	4	Sodium nitroprusside, Powers-Weightman-Rosengarten, in 1-ounce cork stopper bottle.....number.....	1
Gelatin, Difco, for culture media, in ¼-pound cartons.....number.....	3	Sodium potassium tartrate, crystals, Merck blue label in 1-pound cork stopper bottle.....number.....	2
Gentian violet, in 10-gm. screw-cap vials.....do.....	4	Sodium sulphite, crystals, Merck blue label, in 1-pound cork stopper bottle.....number.....	2
		Sudan III, in 10-gm. screw-cap vials.....do.....	1
		Thionin, in 10-gm. screw-cap vials.....do.....	1
		Toluidin blue, in 10-gm. screw-cap vials.....do.....	1
		Toluene, Merck white label, in ¼-pound cork stopper bottle.....number.....	2
