

ABBREVIATIONS AND ACRONYMS

A

ACIP: Advisory Committee on Immunization Practices
 ACL: anterior cruciate ligament
 ADHD: attention deficit hyperactivity disorder
 AFB: acid-fast bacilli
 AFB: Air Force Base
 AFEB: Armed Forces Epidemiological Board
 AFI: Air Force Instruction
 AFIP: Armed Forces Institute of Pathology
 AFMET: Air Force Medical Evaluation Test Program
 AFQT: Armed Forces Qualification Test
 AI: adequate intake
 AIT: advanced individual training
 AMEDD: Army Medical Department
 AMSA: Army Medical Surveillance Activity
 AMSARA: Accession Medical Standards Analysis and Research Activity
 AMSC: Accession Medical Standards Steering Committee
 AMSWG: Accession Medical Standards Working Group
 AN: anorexia nervosa
 AOHP: Army Oral Health Maintenance Program
 APG: Aberdeen Proving Ground
 APGISS: Aberdeen Proving Ground Injury and Illness Surveillance System
 APTS: Army Physical Fitness Test
 ARD: acute respiratory disease
 ARF: acute rheumatic fever
 ARMS: Assessment of Recruit Motivation and Strength
 ASIST: Applied Suicide Intervention Skills Training
 ASVAB: Armed Services Vocational Aptitude Battery
 ATP: adenosine triphosphate
 AUB: abnormal uterine bleeding
 AWCP: Army Weight Control Program

B

BCA: Body Composition Assessment
 BCG: bacillus Calmette-Guerin
 BCT: basic combat training
 BDC: Branch Dental Clinic
 BED: binge-eating disorder
 BMD: bone mineral density
 BMI: body mass index
 BMT: basic military training
 BMTS: Basic Military Training School
 BN: bulimia nervosa
 BPG: benzathine penicillin
 BV: bacterial vaginosis

C

CARD: Commission on Acute Respiratory Diseases
 CASE: Chronological Assessment of Suicide Events
 CBT: cognitive behavior therapy
 CDC: Centers for Disease Control and Prevention
 CHCS: Composite Health Care System
 CI: confidence interval
 CID: Criminal Investigative Department
 CNS: central nervous system
 COX-1: cyclooxygenase enzyme 1
 COX-2: cyclooxygenase enzyme 2
 CSF: critical success factors

D

DENCAS: Dental Common Access System
 DFC: dental fitness classification
 DHEA: dehydroepiandrosterone
 DMDC: Defense Manpower Data Center
 DMSS: Defense Medical Surveillance System
 DoD: Department of Defense
 DoDI: Department of Defense Instruction
 DoDMERB: Department of Defense Medical Evaluation Review Board
 DoD MMR: Department of Defense Medical Mortality Registry
 DOMS: delayed-onset muscle soreness
 DOT: day of training
 DRI: dietary reference intake
 DSHEA: Dietary Supplement Health and Education Act
 DSM: Diagnostic and Statistical Manual of Mental Disorders
 DSQ: dental screening questionnaire
 DT: full-strength diphtheria toxoid
 DUB: dysfunctional uterine bleeding

E

EAR: estimated average requirements
 EDNPS: eating disorder not otherwise specified
 EER: estimated energy requirement
 EHI: exertional heat illness
 EIB: exercise-induced bronchospasm
 ELISA: enzyme-linked immunosorbent assay
 ELS: entry-level separation
 ENO: exhaled nitric oxide
 EPTS: existing prior to service
 ER: Environmental Roadmap

F

FAP: Fitness Assessment Program
 FEV1: forced expiratory volume in 1 second
 FLW: Fort Leonard Wood
 FRI: febrile respiratory illness
 FTC: Federal Trade Commission
 FTU: Fitness Training Unit
 FTX: field training exercise
 FY: fiscal year

G

GAO: General Accounting Office
 GAS: group A streptococcus
 GED: general education diploma
 GPR: general purpose ration

H

H: hemagglutinin
 HART-A: Health Assessment Review Tool–Accession
 Hct: hematocrit
 HEAR: Health Evaluation Assessment Review
 Hgb: hemoglobin
 HIPPA: Health Insurance Portability and Accountability Act
 HIV: human immunodeficiency virus
 HLA: human leukocyte antigen
 HMO: health maintenance organization
 HP 2010: Healthy People 2010

HPM: health-promotion manager
 HPV: human papilloma virus
 HSP: heat shock proteins
 HSV: herpes simplex virus
 HVS: hyperventilation syndrome

I

ICD: *International Classification of Diseases*
 ICD-9-CM: *International Classification of Diseases, Ninth Revision, Clinical Modification*
 IDA: iron deficiency anemia
 IET: initial entry training
 IIR: Installation Injury Report
 IM: intramuscular
 INH: isoniazid
 IOM: Institute of Medicine
 IPR: inferior pubic ramus
 ITBS: iliotibial band syndrome
 ITT: initial tactical training
 IUD: intrauterine device
 IV: intravenous

K

KOH: potassium hydroxide

L

LEARN: Lifestyle, Exercise, Attitudes, Relationships, Nutrition
 LTBI: latent TB infection

M

MDR: multidrug resistant
 MCRD: Marine Corps Recruit Depot
 MCT: marine combat training
 MDRI: military dietary reference intake
 MEB: medical evaluation board
 MEDDAC: medical department activity
 MED-PERS: medical-personnel
 MEPCOM: Military Entrance Processing Command
 MEPS: medical entrance processing stations
 MHS: military health system
 MIC: methacholine inhalation challenge
 MOPP: mission-oriented protective posture
 MOS: military occupational specialty
 MRE: meal, ready-to-eat
 MSM: men who have sex with men
 MSMR: Medical Surveillance Monthly Report
 MT: metatarsal
 MTF: medical treatment facility

N

NGU: nongonococcal urethritis
 NHANES: National Health and Nutrition Examination Survey
 NNPC: no need of preconditioning
 NOK: next of kin
 NPC: no preconditioning
 NPS: nonprior service
 NSA: Neuropsychiatric Screening Adjunct
 NSAID: nonsteroidal antiinflammatory drug
 NSTC: Naval Services Training Center
 NTC: Naval Training Center

O

OC: oral contraceptive
 OCD: osteochondritis dessicans

OCIS: Office of Criminal Investigative Services
 OMP: other mental and physical conditions
 OR: odds ration
 OSI: Office of Special Investigations
 OSUT: one-station unit training
 OTC: over-the-counter

P

P&S: primary and secondary
 Pap: Papanicolaou
 PASBA: Patient Administration Systems and Biostatics Activity
 PC: preconditioning
 PCR: polymerase chain reaction
 PDA: physical disability agency
 PE: physical education
 PFA: personal fitness assessment
 PFPS: patellofemoral pain syndrome
 PID: pelvic inflammatory disease
 PMD: Preventive Medicine Department
 PO: per os (by mouth, oral)
 PROVRBS: progression, regularity, overload, variety, recovery, balance, and specificity
 PRT: Physical Readiness Test
 PT: physical training
 PTRP: Physical Training and Rehabilitation Program
 PTRPSS: Physical Training and Rehabilitation Program Surveillance System
 PTSD: post-traumatic stress disorder

Q

QFT: QuantiFERON-TB test

R

RAP: Recruit Assessment Program
 RBC: red blood cell
 RDA: recommended dietary allowance
 RDC: recruit division commander
 REACH: Reinforcing Education to Achieve Health
 REMAIN: Retention of Mild Asthmatics in the Navy
 RFLP: restriction fragment length polymorphism
 RME: reportable medical event
 RMES: reportable medical events system
 RMR: Recruit Mortality Registry
 ROI: return on investment
 ROTC: Reserve Officer Training Corps
 RSV: respiratory syncytial virus
 RTC: Recruit Training Command

S

Sao₂: oxygen saturation in arterial blood
 SCT: sickle cell trait
 SEAL (SEa, Air, Land)
 SF: stress fracture
 SI: sacroiliac
 SIRS: systemic inflammatory response syndrome
 SMART: Sports Medicine and Reconditioning Therapy
 SPECT: single photon emission computed tomography
 SPR: superior pubic ramus
 SSRI: selective serotonin reuptake inhibitor
 STD: sexually transmitted disease
 STI: sexually transmitted infection

T

TB: tuberculosis
 TCA: tricyclic antidepressant

Td: full-strength tetanus and reduced-strength diphtheria toxoid
TfR: transferrin receptor
TMC: troop medical clinic
TMD: temporomandibular dysfunction
TRADOC: Training and Doctrine Command
TRIR: Training-Related Injury Reports
TST: tuberculin skin test
TU: tuberculin unit

U

UCMJ: Uniform Code of Military Justice
UGR: unitized group ration
UL: tolerable upper intake level
USACHPPM: United States Army Center for Health Promotion and Preventive Medicine
USAF: United States Air Force
USAMEDCOM: United States Army Medical Command
USAMRICD: US Army Medical Research Institute of Chemical Defense
USAPFS: US Army Physical Fitness School
USATRADOC: United States Army Training and Doctrine Command
USMEPCOM: US Military Entrance Processing Command
UV: ultraviolet

V

$\dot{V}O_{2\max}$ maximal oxygen uptake
VA: Veterans Affairs
VAERS: Vaccine Adverse Event Reporting System
VCD: vocal cord dysfunction
VLP: virus-like particle
VVC: vulvovaginal candidiasis

W

WRAIR: Walter Reed Army Institute of Research
